

As a member of the TRISC group, you'll come to enjoy the camaraderie and support we extend to one another. While this is beneficial to us, our presence is not as strong as if we were to become **Associate Members of TAC**. (TRISC membership within TAC). Other benefits include:

- Networking
- Professional development through educational workshops
- Access to Password Protected Areas of Website (TRISC Link)
- Forum to present and debate common concerns
- Reduced TAC Conference Registration
- Staying informed
- Sustained vitality and fresh ideas
- Problem solving skills
- National standardization
- Promotes Trauma Profession, specifically the Registry Information Specialists
- More resources
- Journal of Trauma discount (\$100 Cdn for a 1 year subscription vs. the regular \$200 US/year)

Please take a moment to seriously consider joining TAC for the above reasons and more.

Membership fee is "only" \$50
