

**YOUR VOICE IS
AMMUNITION**

In the wake of a rising number of shootings and an overall increase in gun violence in Canada, we are calling on you to help push for a federal ban on the civilian ownership of handguns and military assault weapons.

- There are now nearly 1 million legally owned handguns in Canada.
- Handguns account for 58% of shooting homicides in Canada.
- Firearm-related crime has increased 42% between 2013 and 2017.
- Over half of crime guns traced in Toronto were sourced to Canadians.
