Association Canadienne de Traumatologie

TAC 2021 Virtual Conference April 12-16, 2021

All times are EASTERN Time Zone

(Updated March 26, 2021)

Day 1 -Monday April 12, 2021

Time	Talk/Item	Speaker	Type of Presentation
0700	**Opening Remarks & Welcome by Co-Chairs**	Dr David Evans & Micheline Wiebe	Pre-recorded and on demand
	Remarks by Scientific Program Chair	Dr Paul Engels	
0700	**Release of Poster Abstracts for Viewing**	See On-line Program for the list of Posters being presented	Can be viewed at any time after release

Invited Speaker Stream 1 (all times EDT)
Trauma System Design

Time	Talk Title	Speaker	Type of Presentation
0700 Talks are all released at once for viewing at any time.	**Building a Trauma Service at Nanaimo General Hospital on Vancouver Island**	Dr Bryan Wells	Pre-recorded 15-minute talks, to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	The Long and Winding Road to an Inclusive Trauma System in Ontario	Dr Bernard Lawless	
	Update on Organized Major Trauma Care in Newfoundland	Dr Darrell Boone	
	Life in the Fast Lane…Transitioning to One Provincial Trauma System in Saskatchewan	Dr Jagadish Rao	
	Continuing Evolution of Trauma System Design in Nova Scotia	Lewis Bedford	

Invited Speaker Stream 2 (all times EDT)
Pre-hospital/Emergency Medicine

Time	Talk Title	Speaker	Type of Presentation
0700 Talks are all released at once for viewing at any time	**System Readiness for Active Shooter Events**	Dr Eric Vu	Pre-recorded 15-minute talks to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	BCEHS Pre-hospital Blood Transfusion Program	Adam Greene	
	UK REBOA & P-PRO Study-The Role for Pre-hospital REBOA	Dr Jan Jansen	
	How the Royal London Hospital Decreased Code Red Mortality	Professor Anne Weaver	
	Trauma Care in the Mountains: Lessons Learned Practicing Medicine with a Helmet On	Dr Alec Ritchie	

Invited Speaker Stream 3 (all times EDT) Lessons in Damage Control Resuscitation/Surgery - Cases that Schooled the Experts			
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released at once for viewing at any time	**Damage control Resuscitation and Surgery. Getting it right. Lessons from a Recent Case.**	Dr Matt Kaminsky	Pre-recorded 15-minute talks to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	Neurotrauma Update	Dr Sunjay Sharma	
	Clinical Case Discussion on a Difficult Surgical Case	Dr Bryan Cotton	
	Clinical Case Discussion on a Difficult Surgical Case	Dr Neil Parry	
	When is Damage Control Resuscitation and Interventional Radiology a Better Option than Damage control Laparotomy?	Dr Harvey Hawes	

Time	**Plenary Session**	**Speaker**	**Type of Presentation**
1200-1300	**President's Talk**	Dr Tarek Razek	Address is Pre-recorded but there will be a live Q & A following the talk
1300-1400	**Grab a coffee or tea while you visit with the Exhibitors or join in one of the live hosted Social Networking Lounges on a Topic of Interest to You**		
	Virtual Exhibit Hall		
1300-1400	**Opening of Virtual Exhibit Hall**	Exhibitors will be present in their virtual booths this hour to interact with delegates	Please make the time to drop in on the Exhibitors now

1300-1400	**Lounge 1** **Surgical Trainee Career Guidance**	**Lounge 2** **TRISC**	**Lounge 3** **Pre-hospital**	**Lounge 4** **Research**
	Want some guidance on your career in Trauma Surgery? Meet with a Canadian Surgeon to discuss possibilities.	Interested in learning more about the Trauma Registry Specialists of Canada-a subgroup of TAC? Join President Jennifer McMillan to find out more	Are you a pre-hospital care provider? Join host Dr Alun Ackery to learn more about the pre-hospital committee at TAC.	Interested in trauma research and want to discuss a project or a new research idea? Join Chair of the TAC Research Committee, Dr Andrew Beckett and other Canadian researchers to discuss further.

1300-1400	**Lounge 5** **Emergency Medicine Trainees/Trauma Team Leaders**	**Lounge 6** **Damage Control Surgery Discussion**	**Lounge 7** **Trauma System Design**	**Lounge 8** **Catch up with a Colleague**
	Interested in a career in Emergency Medicine? Meet with EM Physicians and Trauma Team Leaders to hear what it is really like.	Join host Dr David Evans to hear more about the cases presented in Stream 3 and ask your questions.	Interested in sharing information/asking questions of trauma program leaders across Canada? Join host Micheline Wiebe for a robust discussion.	Make your own plans to meet up in this lounge to catch up with a colleague and friend.

Monday Evening

Time (EDT)	Plenary Session-Dr Fraser Gurd Lecture	Speaker	Type of Presentation
1900-2000	**Improving the Quality of Canadian Trauma Care: From Evidence to Action**	Dr Lynne Moore	Pre-recorded presentation followed by a live moderated Q & A session. All delegates can ask questions in real time.

Day 2-Tuesday April 13, 2021 (all times EDT)

0700	**Welcome & Overview of Day 2**	Amanda Mcfarlan	Pre-recorded
Invited Speaker Stream 4 (all times EDT) Quality Improvement/Performance Measurement			
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released at once for viewing at any time	**Trauma Distinction & TQIP Benchmarking: Alberta's Experience**	Dr Rosmin Esmail & Chris Vis	Pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	The Impact of Clinical Documentation on Injury Severity Score and Trauma Data Accuracy	Jennifer McMillan & Deanna Fong	
	Value-based Health Care in Trauma: Business Transformation Approaches for Trauma QI Start Ups	Dr Morad Hameed	
	Evidenced Based Quality Improvement Initiatives in Non-Academic Canadian Trauma Program	Dr Chris Steyn	
	Ontario Benchmarking of Under & Over Triage	Dr Barbara Haas	
Invited Speaker Stream 5 (all times EDT) Injury Prevention			
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released at once for viewing at any time	**Road Safety- Looking at Canada's Safest Driving Contest & Moving to Completely Virtual Campaigns**	Valerie Smith	Pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	Look Back on the Preventable Campaign	Laura Dale & Dr Ian Pike	
	Breaking the Cycle of Violence with Empathy (BRAVE) Program: A Public Health Approach to Reduce Retaliation, Criminal Involvement and Re-injury Among Youth Injured by Violence	Brandy Tanenbaum	
	Community Perceptions: Facilitators and Barriers to Active Transportation	Megan Oakey	

Invited Speaker Stream 6 (all times EDT) Nursing & Allied Health			
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released at once for viewing at any time	**Transporting the Acute Trauma Patient to a Higher Level of Care**	Brian Lee	Pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	Implementing an Early Intense Trauma Allied Health Model of Care in a Level 1 Trauma Centre in Melbourne, Australia	Melissa Webb	
	Preventing Long Term Opiate Use Following Trauma: Filling the Research Gap	Melanie Berube	
	The Evolution of Trauma Nursing Education- The British Columbia Perspective	Glen Purcell & Nasira Lakha	
	Human Trafficking-Preparing Clinicians to Identify & Report	Larissa Maxwell	
	Points of Intersection; Anticipatory Guidance for Wholistic Trauma Care in Australia	Rebekah Ogilvie	
0700 Release	**Oral Abstracts- Open Paper Session 1A (all times EDT) Education in Trauma Care**		
Abstract ID#	**Title of Abstract**	**Presenter**	**Type of Presentation**
11	Measuring behavioral quality and quantity of team leaders during simulated interprofessional trauma care	Abdulrahman Saleh	These are 10 minutes pre-recorded presentations to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
13	Improving rural trauma outcomes: A structured trauma-training program for Rural Family Physicians with Enhanced Surgical Skills - a pilot project.	Phillip Dawe	
16	The catalytic effect of multisource feedback for trauma teams: a pilot Study	Leah Allen	
35	Closed loop communication in the trauma bay: identifying opportunities for team performance improvement through a video review analysis.	Avneesh Bhangu	
45	Trauma 101: A virtual case-based trauma conference as an adjunct to medical education	Alexandra Allard-Coutu	
0700 Release	**Oral Abstracts- Open Paper Session 1B (all times EDT) Pre-hospital Care**		
Abstract ID#	**Title of Abstract**	**Presenter**	**Type of Presentation**
2	Stopping the bleed: the history and rebirth of Canadian freeze-dried plasma	Marcus Moore	These are 10-minute pre-recorded presentations to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
7	A mixed methods study of a paramedic falls-referral program in Nova Scotia. ***(Note this presentation is the winner of the 2020 TAC-Lerners LLP Research Grant)***	Judah Goldstein	
51	Augmented reality surgical telementoring for leg fasciotomy	John McPherson	
74	Is it better to watch before or listen while doing? A randomized trial of video-modelling versus telementoring for out-of-scope tube thoracostomy insertion performed by Search and Rescue Medics	Andrew Kirkpatrick	

75	Indications for prehospital civilian tourniquet application by first responders: An expert consensus opinion of military physicians by delphi method	Alex Merkle	
0700 Release	**Oral Abstracts- Open Paper Session 1C (all times EDT) Trauma Systems**		
Abstract ID#	**Title of Abstract**	**Presenter**	**Type of Presentation**
14	Trauma treatment: Evidence-based response to psychological needs after a natural disaster	Judi Malone	These are 10-minute pre-recorded presentations to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
15	How prepared are Canadian trauma centres for mass casualty incidents?	Arisha Javidan	
22	Prehospital narrow pulse pressure predicts need for resuscitative thoracotomy and emergent surgical intervention after trauma	Morgan Schellenberg	
47	Engaging patients in the selection of trauma quality indicators	Agathe Lorthios-Guilledroit	
56	Between paradigms: comparing patient and parent experiences of injured adolescents treated at pediatric or adult trauma centres	Mathew Yeung	

Day 3-Wednesday April 14, 2021 (all times EDT)

0700	**Welcome & Overview of Day 3**	Sherry McGillivray	Pre-recorded
	Invited Speaker Stream 7 (all times EDT) Rehabilitation of the Injured Patient		
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released all at once for viewing at any time	**Update on the Acute/ICU Management of Severe TBI**	Dr Myp Sekhon	15-minute pre-recorded talks to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	Concussion: Typical Presentation, National Guidelines/Vancouver Model	Sarah Courtice & Susan Barlow	
	Severe TBI Agitation Management	Dr Derry Dance	
	Neuro Trauma Long-term Outcomes	Amy Hanlan	
	Invited Speaker Stream 8 (all times EDT) Pediatrics		
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released at once for viewing at any time	**Button Battery Ingestion: Development of a Protocol for Treatment**	Dr Jonathan Guilfoyle	15 minutes pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	Traumatic Brain Injury & CRASH-3 Results	Dr Paul Doughty	
	Massive Transfusion Protocol	Dr Genevieve Ersnt & Dr Douglas Morrison	
	Child Maltreatment During a Global Pandemic: Prevention and Tools for Screening	Dr Nita Jain	

Invited Speaker Stream 9 (all times EDT) Global Health- Building Surgical Capacity in Very Low Resource Settings, from the Ground Up			
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released at once for viewing at any time	**Global/International Perspective on Childhood Injuries and Trauma**	Dr Dominic Allain	15-minute pre-recorded talks to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	Developing a Strong Surgical System in Inuvik, Northern Canada	Dr Ryan Falk	
	Building a Surgical Services from the Ground Up in Afar, Ethiopia	Dr Esayas Mustafa	
	Maintaining High Quality Surgical Services in Austere Environments	Dr Haydar Awash	
	Moderated Discussion (pre-recorded) with 3 Speakers around the Importance of In-country Training, Sustainable Capacity-building, and Solutions Adapted to the Current COVID-19 Pandemic	Dr Emile Joos (moderator), Dr Ryan Falk, Dr Esayas Mustafa, Dr Haydar Alwash	
0700 Release	**Oral Abstracts- Open Paper Session 2A (all times EDT) Brain Injury & Prevention**		
Abstract ID#	**Title of Abstract**	**Presenter**	**Type of Presentation**
5	The state of the evidence for Emergency Medical Services (EMS) Care of prehospital severe traumatic brain injury: an analysis of appraised research from the Prehospital Evidence-based Practice program.	Jennifer Greene	These are 10-minute pre-recorded presentations to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
33	Neurological outcomes after traumatic cardiac arrest: a systematic review.	Daniel Shi	
8	First presentations of psychiatric illness at a Level 1 trauma center	Erica Schmitz	
26	Exploring physical literacy as a condition of fall mechanism in older adults	Brandy Tanenbaum	
29	Is the use of business intelligence software helpful in planning injury prevention campaigns?	Allison Chisholm	
0700 Release	**Oral Abstracts- Open Paper Session 2B (all times EDT) Inpatient Trauma Care-1**		
Abstract ID#	**Title of Abstract**	**Presenter**	**Type of Presentation**
17	Retrievable inferior vena cava filter for primary prophylaxis of pulmonary embolism in at-risk trauma patients: a feasibility trial	R. Mason Curtis	These are 10-minute pre-recorded presentations to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
24	Impact of a geriatric consultation service on outcomes in older trauma patients: a retrospective pre-post study	Jacinthe Lampron	
30	Exposure to endotracheal intubation among trauma patients in level V trauma centers in New Brunswick – a retrospective review	Julie Ringuette	
31	Are early specialist consultations helpful predictors of those who require care in level I or II designated trauma centres?	Ian Watson	
39	Embolization in non-splenic trauma: outcomes at a Canadian trauma hospital	Christine Li	

0700 Release	Oral Abstracts- Open Paper Session 2C (all times EDT) Inpatient Trauma Care-2		
Abstract ID#	**Title of Abstract**	**Presenter**	**Type of Presentation**
42	Evaluation of low-value clinical practices in acute trauma care: a multi-center retrospective study.	Lynne Moore	These are 10 minutes pre-recorded presentations to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
46	Physiologic considerations, indications, and techniques for ECLS in trauma: Experience of a Level 1 trauma centre	Sadiq Al Khaboori	
53	Identification of high-risk trauma patients requiring major interventions for traumatic hemorrhage: a prospective study of clinical gestalt.	Alexandre Tran	
55	Evaluating best practices in trauma care of older adults.	Mathew Guttman	
57	Early outcomes after implementation of chest trauma management protocol in Vancouver General Hospital.	Renée-Anne Poirier	

Time (EDT)	**Plenary Session**	**Speaker**	**Type of Presentation**
1200-1300	**Addressing Therapeutic Gaps in Trauma Care: A Systems Approach to Saving Lives**	Professor Mike Christian (London,UK)	Pre-recorded presentation with live moderated Q & A following the video
1300-1400	**Grab a coffee or tea while you visit with the Exhibitors or join in one of the live hosted Social Networking Lounges on a Topic of Interest to You**		
	Virtual Exhibit Hall		
1300-1400	**Exhibit Hall is Open Now!**	**Exhibitors will be present in their virtual booths this hour to interact with delegates**	**Please make the time to drop in on the Exhibitors now**

1300-1400	**Lounge 1 Submitting an Abstract to TAC**	**Lounge 2 Interdisciplinary Trauma Network of Canada (ITNC)**	**Lounge 3 TAC Performance Improvement Committee**
	Interested in submitting an abstract next year for Montreal? Chat with the Scientific Program Chairs Dr Paul Engels and Dr Kelly Vogt	Interested in getting to know interdisciplinary colleagues across the country in other trauma programs doing jobs like you? Join ITNC President Theresa Pasquotti to learn more. Get connected with the right people to network.	The TACPIC Committee is a busy group involved in many QI initiatives and CPGs. Join Co-Chairs Jaimini Thakore & Amanda Mcfarlan to learn more about the work of this committee
1300-1400	**Lounge 4 Global Health**	**Lounge 5 Rehabilitation**	**Lounge 6 Catch Up with a Colleague**
	Join Host Dr Emile Joos to continue the discussion on trauma from a global perspective	Hosted by Dr Derry Dance, find out more about the rehabilitation journey of trauma patients with Canadian interdisciplinary rehabilitation experts.	Make your own plans to meet up in this lounge to catch up with a colleague and friend.
1415-1530 EDT	**TAC Annual General Meeting-live via Zoom link (link supplied to TAC members & delegates) Chaired by Dr Tarek Razek, TAC President**		

Wednesday Evening

Time (EDT)	Plenary Session- International Lecture	Speaker	Comments
1900-2000	**The year is 2050 and We Achieved Vision Zero: The Influential Role of the Trauma Community**	Dr Ben Beck (Australia)	Pre-recorded presentation followed by a live moderated Q &A.
2000	**Social Event**	**Details to follow**	**Social event on Zoom platform**

Day 4-Thursday April 15, 2021 (all times EDT)			
0700	**Welcome & Overview of Day 4**	Nasira Lakha	Pre-recorded
0700 Release	**Oral Abstracts- Open Paper 3A (all times EDT) Inpatient Trauma Care-3**		
1D #	**Talk Title**	**Speaker**	**Type of Presentation**
59	Utility of diagnostic peritoneal lavage versus focused abdominal sonography for trauma in penetrating abdominal injury.	Mahwah Siddiqi	10 minutes pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
61	Time to definitive surgery and survival in pediatric patients <18 years with gunshot wounds.	Theresa Evans	
62	The effect of chronic obstructive lung disease on post-traumatic acute respiratory distress syndrome: predictors of morbidity and mortality.	Keren Guiab	
63	The association between injury type and clinical outcomes in patients with traumatic renal injury after nephrectomy	Keren Guiab	
69	When low complication rates are a bad sign: the negative impact of introducing an Electronic Medical Record on TQIP data completeness	Nori Bradley	
0700 Release	**Oral Abstracts- Open Paper 3B (all times EDT) Potpourri-1**		
Time	**Talk Title**	**Speaker**	**Type of Presentation**
71	Geriatric recovery and enhancement alliance in trauma (GREAT) multidisciplinary quality improvement initiative: improving process and outcome measures for geriatric trauma patients	Nori Bradley	

73	Increasing the safety of inadvertent iliac artery device deployment with the COBRA-OS, a novel low-profile REBOA device.	Adam Power	10 minutes pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
21	Value of data collected by the medical examiner service on the quality of alcohol and toxicology testing in fatal motor vehicle collisions.	Karen Ssebazza	
41	The Matrix: grouping ICD10-CA injury codes by body region and nature of injury for reporting purposes.	Deanna Fong	
0700 Release	**Oral Abstracts- Open Paper 3C (all times EDT) Potpourri-2**		
Time	**Talk Title**	**Speaker**	**Type of Presentation**
70	Clinical handover from paramedic services to the trauma team: a video review analysis of the IMIST-AMBO protocol implementation.	Cara Elliott	10 minutes pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
10	Alcohol and substance abuse screening in pediatric trauma patients: examining rates of screening and implementing a screen for the pediatric population.	Aleena Amjad Hafeez	
49	Strategies aimed at preventing chronic opioid use in trauma and acute care surgery: a scoping review	Caroline Côté	

Day 5-Friday April 16, 2021

0700	**Welcome & Overview of Day 5**	TAC Director	Pre-recorded
	Invited Speaker Stream 10 (all times EDT) Military		
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released at once for viewing at any time	**Transfusion Research in Support of the Canadian Armed Forces**	Lt Col Andrew Beckett	15 minutes pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	Pre-hospital Combat Hemorrhage Control: From Packing to REBOA and Beyond	Dr Rich Hilsden & Dr Shane Smith	
	Tactical Field Care: An Update	Major Andrew Carriere	
	Lessons Learned from Deployed Emergency Response Team Operations	Dr Richard Grainger	
	Invited Speaker Stream 11 (all times EDT) Getting out of a Hole		
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released at once for viewing at any time	**Challenges in Colorectal Emergencies**	Dr Julie Ann Van Koughnett	15 minutes pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	Complicated Pancreatitis-the role for VARDS	Dr Mark Oppenheimer	
	I Can't Close the Hole in the Duodenum	Dr Brad Moffatt	
	A Multidisciplinary Approach to Enteroatmospheric Fistula	Dr Morad Hameed	
	Operating for Two: Decision-making for Acute Care Surgery Problems in Pregnancy	Dr Nori Bradley	

Invited Speaker Stream 12 (all times EDT) Disaster Planning & Management			
Time	**Talk Title**	**Speaker**	**Type of Presentation**
0700 Talks are all released at once for viewing at any time	**Applied Disaster Medicine Course- A Model for Education in Disaster Medicine**	Dr Erin Fukishima	15 minutes pre-recorded to be viewed on demand. Post questions for the Presenters in the Discussion Board as you watch the video.
	Crisis Resource Management in Disasters vs Emergencies	Dr Jared Bly	
	Disaster Triage: Do We Really Have the Right Disaster Triage System?	Dr Chris Lee	
	Coordination and Traumatic Injuries of the Medical Response Following Natural Disasters	Dr Mike Flesher	
Time EDT	**Plenary Session- Dr Murray Girotti Lecture**	**Speaker**	**Type of Presentation**
1200-1300	**Acumen to Advocacy to Action: Canadian Doctors for Protection from Guns**	Dr Najma Ahmed	Pre-recorded presentation followed by a live moderated Q &A
1300-1330	**Awards Ceremony**		Live via Zoom

	Name of Award	**Recipient**	**Person Presenting Award**
Dr Charles Burns TAC Board Recognition Award		TBA	Dr Tarek Razek
Honourary Lifetime Membership		TBA	Dr Tarek Razek
Trainee Awards		TBA	Dr Paul Engels
Injury Prevention Award		TBA	Jennifer Britton & Joanne Sadler
TRISC Awards		TBA	Jennifer Britton
ITNC Awards		TBA	Theresa Pasquotti
TAC Lerners Research Grant		TBA	Lt Col Andrew Beckett

1330-1430	**Grab a coffee or tea while you visit with the Exhibitors or join in one of the live hosted Social Networking Lounges on a Topic of Interest to You**		
1330-1430	**Virtual Exhibit Hall**		
1330-1430	**Exhibit Hall Open**	**This is your last chance to speak live with one of our Exhibitors at their virtual booth**	**Virtual Exhibit Hall**

1330-1430	**Lounge 1 Disaster Planning & Management**	**Lounge 2 Managing Trauma During a Pandemic**	**Lounge 3 Pediatrics**
	Hosted by Dr Mike Flesher. Discuss more on disaster planning and management with those who have lived it.	Hosted by Dr Matt Kaminsky from Cook County Trauma Unit and joined by others, to share their lived experience of caring for injured patients during COVID-19	Hosted by Dr Karen Bailey. This is a chance to join pediatric colleagues across the country to chat.

1330-1430	**Lounge 4 Injury Prevention**	**Lounge 5 Military**	**Lounge 6 Acute Care Surgery Forum**	**Lounge 7 Catch Up with A Colleague**
	Join TAC IP Co-Chairs Jennifer Britton & Joanne Sadler for an informal chat on IP at TAC	Host Lt Col Philip Dawe and others will talk about trauma surgery in a military setting	Host Dr Kelly Vogt continue the discussion on acute care surgery	Make your own plans to meet up in this lounge to catch up with a colleague and friend.

Friday Evening (all times EDT)

Time	Talk/Item	Talk Title	Speaker	Type of Presentation
1900-2000	**Closing Plenary Session**	**Mental Strategies to Optimize Human Performance in High Pressure Environments: The Jasper Icefields Mass Casualty Incident**	Dr Jamin Mulvey	Pre-recorded with live moderated Q & A following release of talk at 1900
2000-2030	**Closing of Conference**			
	Invitation to TAC 2022 in Montreal		Dr Razek	Live via Zoom
	Closing & Final Goodbyes Social Event Have time to stay on the Zoom line for a final goodbye with friends? Join the Board and delegates to enjoy a live chat with colleagues. Bring a "refreshment" of your choice!		Dr David Evans Micheline Wiebe	

REMINDER! TAC-2022 in Montreal (We hope to be in person in April or May. DATE TBD)

ABSTRACT SUBMISSION DEADLINE IS NOVEMBER 1, 2021 2359 EASTERN
