# SCHOLARSHIP OPPORTUNITY FOR YOUNG CANADIANS AFFECTED BY GUNS

Canadian Doctors for Protection from Guns is launching an up to 4-year, \$2,000/year scholarship to support a student affected by gun violence attain a post-secondary (university or college) education. Mentorship throughout the duration of the scholarship will be available.

## WHO IS ELIGIBLE?

The scholarship is open to any student who is a resident of Canada and entering a Canadian post-secondary institution in the fall of 2022 who has been affected, directly or indirectly, by gun injury or death (including through gun violence, suicide, or accidental discharge).

## HOW TO APPLY?

Information on the application process and how to submit your information is available at [www.doctorsforprotectionfromguns.ca](http://www.doctorsforprotectionfromguns.ca). The deadline to apply is March 1, 2022.

Scholarship will be awarded based on multiple criteria such as academic achievement, financial need, work ethic, references, commitment to academics, and promise for advancing public health and social justice in the future.

For more information please contact: Maricelle Bronilla — [cdpg.ca@gmail.com](mailto:cdpg.ca@gmail.com).

Canadian Doctors for Protection from Guns is a non-profit organization advocating for comprehensive solutions to address the public health impacts of gun injury and death.
