

## The TAC Performance Improvement Committee Invites All TAC Members to Attend a Virtual Quality Improvement Seminar

### *Quality Improvement in Real-Time*

**Presenter:** Verity Tulloch,  
QI Specialist,  
Trauma Program  
St. Michael's Hospital, Toronto

**Date:** December 9, 2022

**Time:** 12 to 1 PM EST

#### **This Presentation will,**

- ◆ Describe the influence of the ACS verification process on the evolution of the QI program at St. Michael's Hospital
- ◆ Provide practical day to day examples of how performance improvement and patient safety (PIPS) is addressed in Toronto's busy downtown adult trauma centre

#### **Learning Objectives**

- ◆ Describe quality improvement philosophy, goals and tools
- ◆ Describe a framework for real-time QI processes
- ◆ Describe preliminary findings from a real-time QI rollout
