Conference Day 1

Thursday, April 20th, 2023

0700- BREAKFAST

0800 INDUSTRY SYMPOSIUM *(Not Accredited)*

PLENARY

BALLROOM – SASKATCHEWAN & MANITOBA

0800- LAND ACKNOWLEDGEMENT & WELCOME

0810 Cheryl Connors, EXECUTIVE DIRECTOR

Dr. Andrew Beckett, TAC PRESIDENT

Dr. Damian Paton-Gay, Cathy Falconer, CONFERENCE CO-CHAIRS

PLENARY

BALLROOM – SASKATCHEWAN & MANITOBA

0810- Where did Trauma Care Start and Where to from Here?

0840 SPEAKER: Dr. Andrew Beckett

PLENARY

BALLROOM – SASKATCHEWAN & MANITOBA

0840- OPENING KEYNOTE: INTERNATIONAL LECTURE

0925 Trauma Care in the Ukraine War

SPEAKER: Dr. John Quinn

PLENARY

BALLROOM – SASKATCHEWAN & MANITOBA

0925- BREAK

1000 *Visit Exhibits & View Posters*

EXHIBIT HALL

BALLROOM – BRITISH COLUMBIA/ALBERTA/YUKON

1000-1100

DAY 1 – STREAMS

1
Surgical 1

MODERATOR: Dr. Matt Strickland
BALLROOM – SASKATCHEWAN & MANITOBA

Who Should be Accrediting our Canadian Trauma Centres?

SPEAKERS: Dr. Tarek Razek
Dr. Avery Nathens

2
Paediatrics

MODERATORS: Dr. Marianne Beaudin & Cathy Falconer
CENTENNIAL – LOBBY LEVEL

Trauma Video Review
A Canadian Paediatric Trauma Centre's Experience

SPEAKER: Dr. Suzanne Beno

Overview: Discussion of Key Wins, Current Issues and Future Directions for the Use of Telemedicine in Paediatric Trauma Resuscitation

SPEAKER: Dr. Meagan Doyle

Blunt Abdominal Trauma CT Algorithm

SPEAKER: Dr. Karl Phillips

3
TTA/TTL

MODERATORS: Dr. Luis da Luz & Dr. Christian Malo
DEVONIAN – LOBBY LEVEL

Trauma Team Video Review
SPEAKER: Dr. Bourke Tillmann

Sunnybrook TTL Program
SPEAKER: Dr. Luis Teodoro da Luz

TTL Program Implementation Challenges
SPEAKER: Dr. Katherine Smith

1105-1205

4
Military

MODERATORS: Major (Retired) Scott MacLean & LCdr Jo-Ann Hnatiuk
BALLROOM – SASKATCHEWAN & MANITOBA

The Lethal Diamond: Hypocalcemia in Trauma Resuscitation

SPEAKER: LCol Leilani Doyle BSc MD MSc FRCPC

Evidence-Based Point of Injury Care

SPEAKER: LCol Rich Hilsden MD MBA FRCSC

SPEAKER: Major Shane Smith MD CCFP FRCSC

The Role of Canadian Armed Forces Forward Surgical Teams In Future Global Conflicts

SPEAKER: Dr. Christopher Kennedy

CAN-PATT (Canadian Prehospital And Transport Transfusion) Network

SPEAKER: Dr. Jan Trojanowski

5
Trauma Patient Journey

MODERATORS: Sherry MacGillivray, Angie Brisson & Nasira Lakha
CENTENNIAL – LOBBY LEVEL

Trauma Patient Stories:
Listening and Learning to Improve the Quality and Experience in Care

SPEAKERS: Lara Gurney
Joanne Sadler
Jaclyn Robinson

6
**Performance Improvement/
Trauma Systems**

MODERATORS: Deanna Fong & Dr. Lynne Moore
DEVONIAN – LOBBY LEVEL

Representation in Trauma Registries:
Current Definitions of Data Elements Related to Sex, Gender, Race, & Ethnicity Collected in Canadian Trauma Registries

SPEAKER: Dan Cashen

Rebuilding the Quality Indicators in New Brunswick
SPEAKER: Allison Chisholm

An Update on Real Time Quality Improvement
SPEAKER: Verity Tulloch

DAY 1

**1205-
1245**

LUNCH

National Trauma Leaders in the Very, Very Hot Seat: A Challenging Trauma Case *(Not Accredited)*

See some of our national trauma leaders discuss and navigate a challenging case with the added stress of escalating spicy wings. Think “Hot Ones” for the trauma crowd.

**MODERATORS: Dr. Damian Paton-Gay
Dr. Matt Strickland**

PLENARY
BALLROOM – SASKATCHEWAN & MANITOBA

DAY 1 – OPEN PAPER SESSIONS

1310-1410

1A
Emergency Department

BALLROOM – SASKATCHEWAN & MANITOBA

1B
Older Adults

DEVONIAN – LOBBY LEVEL

1C
Clinical 1

CENTENNIAL – LOBBY LEVEL

1D
Health Services

STRATHCONA – LOBBY LEVEL

1310-1320 ID 34 Trauma team activation under-triage at a Lead Trauma Hospital (LTH) using trauma trained emergency department nurses, development of a pilot project.
PRESENTER: Derek Goltz

ID 60 Risk factors of mortality in older patients with moderate traumatic brain injury.
PRESENTER: Marcel Emond

ID 3 A prospective multi-center study to evaluate increased thromboembolism risk among trauma patients receiving tranexamic acid.
PRESENTER: Lisa Marie Knowlton

ID 40 Creating functional definitions of trauma centres in Canada.
PRESENTER: Natalie Yanchar

1320-1330 ID 31 Impact of the Rural Trauma Team Development course.
PRESENTER: Fran Priestap

ID 42 Geriatric Recovery and Enhancement Alliance in Trauma (GREAT) multidisciplinary quality improvement Initiative: improving process and outcome measures across the trauma spectrum of care.
PRESENTER: Nori Bradley

ID 2 Pseudoaneurysms after high grade blunt solid organ injury and the utility of delayed computed tomography angiography.
PRESENTER: Morgan Schellenberg

ID 27 Evaluation of a Multidisciplinary Traumatic Brain Injury Clinic in the Public Health Care Setting
PRESENTER: Erica Lester

1330-1340 ID 64 Impacts of implementing a trauma team leader during the initial resuscitation period of polytrauma patients in a tertiary adult trauma centre.
PRESENTER: Tristan Desrosiers

ID 63 The reliability of the Glasgow Coma Score in older injured patients.
PRESENTER: Marcel Emond

ID 19 Prognostic factors associated with risk of stroke following blunt cerebrovascular injury: a systematic review and meta-analysis.
PRESENTER: Alexandre Tran

ID 36 Discharge disposition and length of stay before and during the COVID-19 pandemic at an urban level II trauma center.
PRESENTER: Conor Holland

1340-1350 ID 23 Predictors of survival from resuscitative thoracotomy for injured patients: a systematic review and meta-analysis.
PRESENTER: Avneesh Bhangu

ID 61 Factors associated with adverse outcomes in hip-fracture patients: a retrospective cohort study.
PRESENTER: Marcel Emond

ID 26 Contemporary use of splenic-conserving surgeries for splenic trauma: mechanism of injury matters.
PRESENTER: Angela Tang-Tan

ID 41 Trauma center variation in mortality after hemorrhage control surgery.
PRESENTER: Katherine Florecki

1350-1400 Q & A

ID 55 Older adults experience delayed analgesia in the trauma bay: an equity issue.
PRESENTER: Betel Yibrehu

Q & A

ID 10 Implementing one of the first level 3 trauma centres in Ontario: a community hospital's experience.
PRESENTER: Sharon Ramagnano

1400-1410

Q & A

BALLROOM – SASKATCHEWAN & MANITOBA

2B
Pre-hospital

DEVONIAN – LOBBY LEVEL

2C
Equity

CENTENNIAL – LOBBY LEVEL

2D
Injury Prevention

STRATHCONA – LOBBY LEVEL

1415-1425 ID 13 Citation versus disruption: analysis of the top disruptive trauma research publications.
PRESENTER: Joshua Dilday

ID 30 Trauma EMS QI and trauma transfer to definitive care destination decisions.
PRESENTER: Diane Bradford

ID 4 The relation of race and venous thromboembolism after traumatic Injury, the results from the multicenter CLOTT study.
PRESENTER: Chih-Ying Chien

ID 18 Youth safety lab: exploring the prevention spectrum.
PRESENTER: Brandy Tanenbaum

1425-1435 ID 7 How to ensure data accuracy across a multi-site registry in the Edmonton zone.
PRESENTER: Claire Ewatski

ID 74 Strategies to manage non-compressible torso hemorrhage (NCTH) in non-surgical settings: a systematic review.
PRESENTER: Asad Naveed

ID 38 Underprivilege level and injuries: does socioeconomic status still affect trauma outcomes in a universal healthcare system?
PRESENTER: Rabab Alabdullah

ID 25 Are operational fitness evaluations safe for military members with a total hip arthroplasty?
PRESENTER: Max Talbot

1435-1445 ID 12 Can CMG+ cost estimates be used as a proxy for microcosting in economic studies of trauma patients?
PRESENTER: Erica Lester

ID 8 Autonomous procedural support for far forward heroic interventions: a component of the TeleHelper for Operational Medical Procedure Support and Offline Network (Trauma THOMPSON) project.
PRESENTER: Andrew Kirkpatrick

ID 67 A comparison of rural versus urban traumatic injury mortality in Nova Scotia 2011-2020.
PRESENTER: Robert Green

ID 54 Association between firearm-related injury and neighborhood social deprivation in Baltimore City.
PRESENTER: James Byrnes

1445-1455 ID 57 Derivation of the Quebec Brain Injury Categories (QueBIC) for complicated mild traumatic brain injuries.
PRESENTER: Marcel Emond

ID 44 Advanced prehospital interventions do not improve outcomes in hypotensive trauma patients.
PRESENTER: Jessica Zimmerman

ID 76 Advancing knowledge on the implementation of intimate partner violence (IPV) screening programs in trauma care settings: a rapid realist review.
PRESENTER: Kayla Fitzpatrick

ID 73 Characteristics and outcomes of violent injuries at two urban hospitals in Vancouver, British Columbia.
PRESENTER: Joanne Sadler

1455-1505 ID 71 Predicting hemorrhage onset in augmented trauma patients' data through machine learning methods.
PRESENTER: Paul McBeth

Q & A

ID 39 Assessing the trauma needs of patients experiencing homelessness: a retrospective cohort study.
PRESENTER: Rabab Alabdullah

ID 20 Injury is not equal: using trauma data to inform prevention 2.0.
PRESENTER: Brandy Tanenbaum

1505-1515 Q & A

ID 68 Use of the six core surgical indicators from the Lancet Commission on Global Surgery in indigenous population regions of Nunavik and the Cree Territories of James Bay in Quebec: a situational analysis.
PRESENTER: Rabab Alabdullah

ID 75 Evidence-based endorsement of the Federal Bill C-21: mobilizing public health action toward decreasing the burden of firearm-related death and injuries in Canada.
PRESENTER: Ian Pike

1515-1525

Q & A

1005-1105

3A Clinical 2

BALLROOM – SASKATCHEWAN & MANITOBA

1000-1010 ID 11 Interdisciplinary strategies to prevent long-term, non-beneficial opioid use following trauma: a consensus study.

PRESENTER: Melanie Berube

1010-1020 ID 24 Pedestrian and cyclists injured by heavy vehicles: a descriptive study of 10 years of BC Trauma Registry data.

PRESENTER: Barak Raguan Schneidman

1020-1030 ID 45 Major trauma related to burns in Nova Scotia: an 18-year retrospective analysis of trends and predictors of mortality.

PRESENTER: Robert Green

1030-1040 ID 59 Rib fracture score is a good indicator of mortality in chest trauma patients at a level one trauma hospital, Vancouver General Hospital (VGH).

PRESENTER: Bader Al-Zeer

1040-1050 ID 72 Clearing the cervical spine in obtunded trauma patients using computer tomography: A systematic review.

PRESENTER: Pierre-Marc Dion

1050-1100 ID 37 Ambulance response time and death-at-the-scene: an analysis of firearm injuries and motor vehicle crashes in United States counties.

PRESENTER: James Byrne

1100-1110
Q & A

3B Education & Quality Improvement

DEVONIAN – LOBBY LEVEL

ID 1 The status of trauma care and trauma surgical education in Canada: a week in the life of a trauma service.

PRESENTER: Kevin Verhoeff

ID 15 Validation of quality indicators targeting low-value trauma care: a multicenter retrospective cohort study.

PRESENTER: Lynne Moore

ID 32 Development and preliminary validation of an observation tool for individual teamwork skills during adult trauma resuscitation.

PRESENTER: Alexandra Lapierre

ID 21 Trauma nursing competencies: what are they and why do they matter?

PRESENTER: Jo-Ann Hnatiuk

ID 58 Standardizing trauma nursing leadership: a strategy for nursing education in emergency departments within a health authority in British Columbia.

PRESENTER: Lori Milton

Q & A

3C Paediatric Trauma

CENTENNIAL – LOBBY LEVEL

ID 62 Prehospital mortality among paediatric trauma patients in Nova Scotia: a 17-year retrospective analysis.

PRESENTER: Robert Green

ID 29 School lockdown, COVID and self-harm injuries/mental health emergency department visits in children.

PRESENTER: Glenn Keays

ID 66 Epidemiology and predictors of mortality among major paediatric trauma patients in Nova Scotia: a 17-year retrospective analysis.

PRESENTER: Mete Erdogan

ID 16 Clinical practice guideline recommendations in paediatric orthopaedic injury care: a systematic review.

PRESENTER: Lynne Moore

ID 65 The power of linked data: investigating social determinants of child health and their implications in reducing paediatric traumatic injury.

PRESENTER: Hunter Goodon

Q & A

DAY 2 – STREAMS

1110-
1210

7

Pre-hospital & Transport Medicine (PTM)

MODERATORS: Dr. Mark MacKenzie & Justin Smith

BALLROOM – SASKATCHEWAN & MANITOBA

System Integration in Rural Trauma:
A Case Presentation

SPEAKER: Justin Mazzolini

System Integration

SPEAKER: Dr. Kevin Lobay

Firstly Do No Harm:

Error Mitigation in Multi-agency Trauma Resuscitation

SPEAKER: Dr. Adam Oster

8

Injury Prevention

MODERATORS: Joanne Sadler & Jennifer Britton
