## **TRISC Annual Meeting—get involved!**

### TRISC Executive Nominations:

As this is an **election year**, we are seeking **nominations to the TRISC executive**. This is a great way to be involved and contribute to the TRISC subgroup and beyond. We have recently begun work with our TACPIC colleagues to explore national data standardization—exciting times! New and returning members are welcome—we always seek to have representation from across the country. Please find the **nomination form attached** to the email.

### Rapid Fire Presentations:

As always, we look forward to hearing about all the fantastic work you've been doing over the year! Presentations are 10 minutes with 5 minutes for questions/discussion. Please find a request for **Rapid Fire** abstracts attached to the email.

### #TRISC20YearChallenge:

We're celebrating **20 years of TRISC!** Do you have any photos to share from over the years? Please send them along for inclusion in our day. Note that submitting a photo implies consent to share—ensure you confirm with those included in the photo.

Please send any questions to [TRISCExecutive@traumacanada.org](mailto:TRISCExecutive@traumacanada.org)

## **TRISC Coffee Calls**

In February, TRISC members gathered to discuss the ACS/NTDS's directive to move to AIS2015 in the US and for TQIP participating sites. Thank you to everyone who participated!

Our next Coffee Call will be held in the fall — stay tuned for more details.

If you have suggestions for future Coffee Calls, please forward them to [TRISCExecutive@traumacanada.org](mailto:TRISCExecutive@traumacanada.org)
